<b>Tables</b> .....	<b>7</b>
<b>Figures</b> .....	<b>11</b>
<b>Glossary</b> .....	<b>15</b>
<b>Executive summary</b> .....	<b>17</b>
<b>About this report</b> .....	<b>19</b>
<b>1. Introduction</b> .....	<b>21</b>
1.1. Background .....	21
1.2. ECHOES research aims and objectives .....	22
1.3. CHWs in Europe: setting the scene for ECHOES.....	23
<b>2. Methods</b> .....	<b>27</b>
2.1. General design and inclusion criteria.....	27
2.2. Questionnaire Design .....	27
2.3. Translation and online preparation.....	30
2.4. Survey promotion.....	31
2.5. Total returns and non-qualifiers .....	40
2.6. Key variables for data analysis .....	43
2.7. Statistical analysis.....	52
<b>3. Understand who CHWs in Europe are, where they work, with whom and why</b> .....	<b>53</b>
3.1. General profile of ECHOES respondents.....	53
3.2. How have CHWs identified/described themselves? .....	61
3.3. Recruitment and motivation to start as a CHW .....	64
3.4. Employment status and organisation profile.....	69
3.5. Settings where CHWs work.....	79
3.6. Populations which CHWs most often work with.....	84
<b>4. CHWs in practice: What do CHWs do to support the sexual health of MSM?</b> .....	<b>91</b>
4.1. The role of CHWs in the continuum of HIV/STI services and retention cascade .....	92
4.2. Primary prevention activities.....	94
4.3. Counselling and testing activities.....	98
4.4. Linkage to care .....	102
4.5. Activities related to treatment and support .....	102
4.6. Synergies with other organisations and services.....	107
4.7. Cross-cutting activities.....	110
4.8. Description of CHW job titles according to reported activities .....	115
<b>5. Barriers and facilitators to service provision</b> .....	<b>117</b>
5.1. Individual, community and structural barriers faced by CHWs .....	118
5.2. Other factors influencing CHWs work .....	127

<b>6. Knowledge and training issues in CHWs .....</b>	<b>139</b>
6.1. Confidence in one’s knowledge of HIV, viral Hepatitis and other STIs ....	139
6.2. Training received and training needs.....	144
<b>7. Discussion .....</b>	<b>163</b>
7.1. Establishing profiles of CHWs .....	163
7.2. How do CHWs in Europe identify/define themselves? .....	165
7.3. Added value of CHW work in the continuum of care .....	166
7.4. The value of peer CHWs in service delivery.....	168
7.5. How do European CHWs feel? .....	170
7.6. Main barriers faced by CHWs in Europe .....	171
7.7. Training issues.....	173
7.8. Towards a European definition and recognition of CHWs.....	175
<b>8. Strengths.....</b>	<b>177</b>
<b>9. Limitations.....</b>	<b>179</b>
<b>10. Recommendations .....</b>	<b>181</b>
10.1. Actions that European organisations and institutions could take .....	181
10.2. Actions that national or local governments could take .....	181
10.3. Actions that CHWs could take .....	182
10.4. Recommendations for future research.....	182
10.5. Recommendations for training implementation.....	182
<b>11. References.....</b>	<b>185</b>
<b>12. Acknowledgements.....</b>	<b>189</b>
<b>13. Annex .....</b>	<b>191</b>
13.1. Comparison of CHWs in EMIS vs. ECHOES.....	191
13.2. Complete list of job titles provided by ECHOES respondents .....	195
13.3. Description of activities (service continuum) by job titles .....	212
