

A man with a beard and a wide-eyed, intense expression is shown from the chest up. He is shirtless and holding two large, brown, furry bear paws in front of his chest. The paws have black claws. The background is a dark, dense jungle with green foliage. A large, full, yellowish moon is visible in the upper left corner. Several bright red, elongated, teardrop-shaped objects are scattered throughout the scene, particularly around the man and the paws.
